

What are the benefits

- Internal solution for HP LaserJet printers
- Documents follow users to their choice of printer
- Tracks users print activity
- Recovers print costs by charging users or groups, either fully or partly
- Utilizes existing ID-card infrastructure

SafeCom P:Go delivers intelligent printing solutions embedded as hardware and software into HP LaserJet printers.

Through its flexible range of add-on functionality SafeCom P:Go can help organizations gain control over their print costs and wastage. SafeCom P:Go can also enable document security on printers. The following add-on functionality is available:

- **SafeCom Tracking**
Monitor print usage and use the recorded data for subsequent departmental invoicing.
- **SafeCom Rule Based Printing**
Allow print cost savings by offering management a method for enforcing policies for printing. Rules can be applied to groups of users. Requires SafeCom Tracking.
- **SafeCom Billing**
Allow users to associate billing codes with any print job. With billing codes it is possible to get a very detailed breakdown of printer usage and possibly recover these expenses by invoicing clients. Requires SafeCom Tracking.
- **SafeCom Pay**
Turn print costs into a revenue stream by making users prepay for print. Requires SafeCom Tracking.
- **SafeCom Pull Print**
Documents follow users to their choice of printer.
- **SafeCom Encryption**
Protects print data on the network. Requires SafeCom Pull Print.

SafeCom Go is compatible with external SafeCom solutions, allowing customers to offer similar functionality across a wide range of devices.

SafeCom Server

SafeCom P:Go includes a SafeCom Advanced Server and SafeCom Web Interface. Requirements are listed below:

Server

Windows XP, 2003 and 2000.
SafeCom License key code.
Recommended: 1GHz CPU and 512 MB RAM. 1 GB of free disk space.

Web Interface

Internet Information Service (IIS) version 6.0 or 5.1.

Database

The free Microsoft SQL Desktop Engine (MSDE) is distributed with SafeCom. In a SafeCom Enterprise (multi server) installation the master server must run Microsoft SQL Server on either a Windows Server 2003 or a Windows 2000 Server.

Client

Windows XP, 2003, 2000, NT 4, 98 and clients running Citrix and Windows Terminal Service.
Recommended: 400 Mhz CPU and 256 MB RAM. 100 MB of free disk space.

Network protocol
TCP/IP.

HP LaserJet Printers

The internal SafeCom P:Go is available for these networked HP LaserJet printers:

- HP LaserJet 24x0
- HP Color LaserJet 3000
- HP LaserJet P3005
- HP Color LaserJet 3800
- HP LaserJet 4200
- HP LaserJet 4250
- HP LaserJet 4300
- HP LaserJet 4350
- HP Color LaserJet 4650
- HP Color LaserJet 4700
- HP Color LaserJet 5500
- HP Color LaserJet 5550
- HP LaserJet 9050
- HP Color LaserJet 9500

SafeCom P:Go ID Kit

On HP LaserJet 3000 (incl. HDD), 3800 (incl. HDD) and 4700 (incl. HDD) the ID device can be connected to the printer's external USB port (labeled ACC). No ID Kit is required.

On the other HP LaserJet printers use of an ID device requires an ID Kit to be installed. All ID Kits require an empty EIO slot. The FMC ID Kit requires an empty Flash slot and the DIMM ID Kit requires an empty DIMM slot. All ID Kits can be mounted together with the HP JetDirect Card if there is no available EIO slot. Keypad is not supported on HP LaserJet 4200, 4300, 5500 and 9500.

SafeCom ID Devices

User identification by card is possible if a SafeCom ID device (card reader) is connected. A SafeCom Go ID Kit may be required to connect the ID device.

- Keypad (0-9)
- EM Reader (EM41xx, UNIQUE, TITAN, Hitag 1/2/S)
- HID Reader
- iCLASS Reader
- Indala Reader, 26 bit
- Indala Reader, 29 bit
- Legic Reader
- Mag. Reader, Track 1
- Mag. Reader, Track 2
- Mifare Reader
- NEDAP Reader

NEDAP is available as serial only. All other ID devices are available as USB and serial. Please contact us to hear about other ID devices.

SafeCom Device Licenses

Order one or more of the below device licenses to get additional functionality:

- SafeCom Tracking
 - SafeCom Rule Based Printing
 - SafeCom Billing
 - SafeCom Pay
- SafeCom Pull Print
 - SafeCom Encryption

Refer to the corresponding data sheet for details.

P/N	Product	Description
122 030	SafeCom P:Go	- ID by USB ID device on these HP LaserJets: 3000 (incl. HDD), 3800 (incl. HDD), 4700 (incl. HDD) - Order license and USB ID device separately
124 030	SafeCom P:Go with USB ID Kit	- ID by USB ID device on these HP LaserJets: 3000 (excl. HDD), P3005 (excl. HDD), 3800 (excl. HDD) - SafeCom Go USB Key and USB ID Kit is included - Order license and USB ID device separately
124 021	SafeCom P:Go with FMC ID Kit	- ID by serial ID device on these HP LaserJets: 24x0, 4250, 4350, 4650, 4700 (excl. HDD), 5550, 9050 - SafeCom Go FMC, FMC ID Kit and power supply is included - Order license and serial ID device separately
124 010	SafeCom P:Go with DIMM ID Kit	- ID by serial ID device on these HP LaserJets: 4200, 4300, 5500, 9500 - SafeCom Go DIMM and DIMM ID Kit is included - SafeCom Keypad is not supported on these printers - Order license and serial ID device separately
